ORDER:

In the reference 2nd read above, orders were issued prohibiting the location/expansion of air polluting Industries near M/s.Kia Motors India (P) Ltd., (KMIL) Project Site within a radius of Ten (10) Kms i.e. prohibiting Red and Orange category industries within 2 Kms as prohibition zone, allowing only green and white category industries and prohibiting Red category industries within 8 Kms restricted zone and allowing orange, green and white category industries, in terms of Sec 5 of the Environment (Protection) Act, 1986 (Central Act No.29 of 1986) read with the explanation under Sec 5 and the notification issued by the GoI vide S.O.152-(E), dt.10.02.1988 published in Gazette No.54, dt.10.02.1988.

3. In the reference 3rd read above, M/s.AP-ADE has requested Government to exempt their Company from the order of prohibiting location of Industries in 10 Km radius and its ancillary park of KMC Project site as ordered & notified in G.O. 2nd read above, stating that the AP-ADE Park Cluster spread in 264.00 Acres abutting to NH-7 in Palasamudram (V) is located at a distance of 25.50 Kms from the currently operational KMC Project in Erramanchi (V) and just opposite to the upcoming KMC Ancillary cluster in Gudipalli (V). The said notification will impede all forth coming development & Industrial activities within & around their park whereas, they already filed application to SEIAA for necessary environmental clearance. The Company has therefore requested the Govt to exempt them from the provisions of G.O. 2nd read above for expediting EIA approval at the earliest.

4. In the reference 4th read above, the VC&MD, APIIC Ltd., has submitted his remarks to Government informing that the development of AP-ADE Park is under progress and APIIC is having 25% equity in the company and has no objection for issuance of necessary orders by Government, exempting the AP-ADE Park from the provisions of G.O. 2nd read above, since the allotment made to the Company is much before the allotment to KMIL, and AP-ADE is a Joint Venture of APIIC.
